I was appointed by Director as District D.D. for the first time in 'CARDS' Balabata and contacted ACO's and RCO's of that area. I have arranged separate Balabata's for chenchu Community children in order to get students of Dalit girls and boys of Mahaboob Nagar area thro' them. Later, with the help of ACO and RCO's, I got co-operation those children admitted in primary schools. On seeing ACO and RCO doing hard work, the parents, out of gratitude said that we would like to touch the feet and wish Sri. Ranjan Babu Garu for getting our children admitted in Govt. School and made them study well. Afterwards I was engaged as DD of Kadapa and Kurnool districts, invited Local leaders for meeting of Balabata in order to explain them about education system in Balabatas. We have brought the service activities of CARDS organisation to their notice. We arranged meetings of Balabatas in regions of Jeelugumalli, Buttaiah gudem of west Godavari Dt., and made the people of that area to follow the education system of Balabata. We got the children of Balabata of Amrabad Region admitted in P.G.T. School. I later conducted Balabata meeting and informed ACO and RCO's that DOS only are the foundation stones of Balabatas and you have to make students to follow the discipline and teach them good methods. I do here by inform you that I make sincere efforts for development of CARDS' BALA BATAS.
