BALABATA CHILD TEACHER AWARD PRESENTATION

Smt. Pullagura Deenamma was born with complete deformity some hundred and twenty years ago and endured several kinds of difficulties. Yet she studied lower grade teacher training, established an own mangement school Jaladi village in Guntur District for Dalit Boys and Girls and strove to the development of education. As recognition of Smt Pullagura Deenamma's services Best Balabata Teachers' Award presentation ceremony will be celebrated district wise. Children who were born in Dalit families and who resisted the insult and injustice meted out to their race established Balabatas in their villages and are striving hard to the spread of education among their race. Their effort is really praise worthy. As a recognition of their effort and applauding their perseverance, CARDS organisation is felicitating

them with BALABATA BEST CHILD TEACHER AWARD for the year 2014 - 2015. This felicitation is the first step for their progress and our aspiration is that they should settle well in life and putn in endless service for the development of their race in all the fields including education. As a sign of our desire and felicitation the best child Teacher Award (CARDS SILVER MEDAL) is being presented to them.

Sahabhash !!. Bravo

Observations and feelings of Regional Co-ordinators (R.C.O)

To,
Respected Director, CARDS
organisation, from, Y.Sukumar,
RCO.

I am very happy to work in
the CARDS organisation. on 11, 12,
13 July, I attended the organisation's
function. As I liked the povidence
of the orgamisation. I am putting in
my share of effort. I want to
express my thanks and gratitude for
selecting me as the best RCO for
the year 2015. I inform you that I
will always extend my part of
co-operation for our CARDS
organisation.

Y. Sukumar, RCO.

Tarlupadu, Prakasam (Dist).

To,
Dr. P.Ranjan Babu Director,
CARDS. Namaste,

Sir, I, K.Babu, am
working as RCO in Khammam. I
express my happiness for attending
training camp for new D.O's as part
of Balabata commitment
celebrations on July 11, 12, 13.

In this training camp D.D's detailed
us the programed we have to take
up in 2016. The new D.O's were
made known their duties, and were
trained in sports and songs which
they have to train the children in
Balabata. More over, D.D's made
the D.O's and R.C.O's understand
how to become educated
themselves and serve the children
belonging to their own race. They
also made us know about the
applications for Residential
Schools in 2015, about the list of
ACO's and RCO's and find out
whether we have got seats in
Residential, Kasthuribha School,
Model school or not. If we have
failed in achieving our goal and if
we try to avoid the mistakes we
have done this year and go on
working with a plan, we can
certainly reach on goal in 2016.
DD's also told us that we shcould
go ahead with a plan to gain more
than 15000 seats in Residential
schools. The new D.O's were told

to do their duties properly. In these
three days training camp DO's were
given training in morri-dance, Drum
beating and stick fight. we
underwent drill in the morning.
I expect to win more number of
seats as my share in 2016. This
year we have gained 193 seats.

To,

Respected Director, CARDS
organisation,

Subject:- About Balabata progress.

During these three days
programme D.D's trained RCO's,
ACO's and DO's sports and songs.
They made us know so many
matters including how to teach
students and we were trained in
morriss-dance, dances and Drum
beating. D.D's advised all the
RCO's, ACO's and DO's to work
properly from the beginning without
wasting time to get the admission
into Residential schools for Balabata

children. If the Dalit villages have
to gain progress, every student
must advance in education.
Hence, our CARDS organisation
is cobducting Balabatas and
striving hard for the development
of education among dalits. Our
organisation is educating dalits by
saying that until dalits achieve
political power they should
progress economically and
politically. Now only 20% upper
caste people have political power
in their hands. So, under the
ledership of Dr. P.Ranjan Babu,
Dalit youth and students must
study well and fulfy the aims and
aspirations of CARDS
organisation. This is our desire.
I strongly believe that our dalits
will never forget the service of our
CARDS organisation. I
respectfully greet Dr. P.Ranjan
Babu Sir and say that I strive hard
this year also to lead our
Balabatas into the progressive
path and fulfil our aims.

J.Satya Kumar (RCO)

Respected Dr. P.Ranjan Babu.
Director, CARDS.
Sir,

I am the three days training camp on July 11,12,13, we are told that DO's should see that the students in their villages will be disciplined. The students should be taught along with sports and songs. If every student is joined Residential school through Balabata in 4th class and if they were given free education until degree course, unemployment problem will be solved. There are the things we were taught in the training. If RCO's and ACO's work efficiently taking D.D's as models we can certainly gain good results by 2016, In the same way, as the Director Frank Viswanath is conducting staff meeting in CARDS office on one Friday for ACO's and RCO's it helps a lot to enhance their responsibility. July 13th is the birthday of our great organizer Dr. P.Ranjan Babu. I feel proud to work in the organization of a great leader. I humbly inform you that I shall take forward the ideal of our CARDS Balabata.

Respected Director, CARDS, with regards. Sir,
Training classes were conducted at Deenapur on July 11, 12, 13. In these training classes I have learnt so many things. Sri. Amarnadh told us that we should be reconciled with every one, develop acquaintances with everybody, meet the people representations, arrange meetings for students in Residential Schools, know about loans in MDO's jurisdiction. If we make these things known to Balabata parents and youth, we can gain good recognition in villages. HrudayaRaju Sir told us that D.D's will visit every village every month. He also told us to observe time essentially. He explained the 4 points of Balabata to the DO's from DO's to D.D's, all should work unitedly. These were the things we have known from Sri Hrudaya Raj, Babu Rao Sir told us about paper cutting, for every act of Balabata the meeting place must be good and photos must be gathered for every work. We should know how to invite elders. Balabata meetings should be conducted according to a plan. Dr.Swarnalatha Devi gave a good speech relating Balabata with the Bible. Sanni Sir divided us into three groups and asked us to speak.

Respected Director, Dr. P.Ranjan Babu. CARDS.

Sir,
Namaste, I am visiting the Balabata education centres in Santhamangalur region jurisdiction and extending advice and directions to DO's. I am also giving training in songs, Oath, drill and Balabata education system. Under the leadership of our D.D. Hrudaya Raju we are conducting monthly meetings. I assure you that for the progress of Balabatas we will all strive unitedly.

Sir,
Subject:-About Balabata Programme.

I have participated in Balabata programme for the last three days. All the providence, discipline and index of the organisation attracted me greatly. I liked the way how

children of 4,5,8 Classes are joined Residential, Navodaya, Model schools. As I am new to the work of the organisation, I assure you that I shall join more number of students in Residential School from next year onwards. I receive all the advice and directions from ACO's and DCO's. I shall attend all the meetings without fail. I work according to the aims of Dr. P.Ranjan Babu, Director, CARDS. I send the list of children to the office every year. I have brought two DO's. Along with other DO's, these DO's also will be given good training. Education with sports and songs, greenness and Cleanness, self-help life style. CARDS is a great organisation. The training given here is the base for the progress of every child. Every one participated with enthusiasm in the different cultural programmes.

Suggestions for Balabata Progress.

- 1) Giving opportunity for every Balabata organizer to speak on various programmes.
- 2) Giving advice and suggestion from the people of lowest level.

K. Sai Kumar, R.C.O.

Respected Dr. P.Ranjan Babu.

By attending this training programme I have learnt so many things which I did not know. Sri Hrudayaraju, Baburao, Amarnath gave us a detailed account of taking forward the movement of Balabata. They have Cleared all our doubts. From them I have learnt how to take Balabata forward. I have learnt the 10 points of Balabata as told by Hrudayaraju Sir. Baburao Sir told us that the goal of keeping a dalit in the highest position is the motto of Balabata. I have also learnt that if we join some children in the Residential Schools, their families will be benefited.

Sir,

On July 11,12,13, RCO's ACO's and DCO's meeting on was held at Phirangipuram, Deenapur College. During 2015-2016 RCO's should learn new methods, maintain time, every one should possess Ambedkar's idealogy and Dr. P. Ranjan Babu's thoughts. The responsibilities of RCO's and ACO's is to see that Balabatas are conducted in all areas, appointing new ACO's selecting the DO's who work efficiently. Informing the government officers about Balabata and to see that more number of students get admission into Residential Schools in my duty and responsibility as RCO.

Opinions of D.C.O's

Respected Director, CARDS.

In the training camp conducted on 11-07-2015 at Phirangipuram, Deenapur, DD's Gave some advice to RCO's, ACO's and DO's. We are asked to give our suggestions for the development of Balabata. My suggestion as an RCO.

- 1) DO is the first foundation stone.
- 2) DO should be given complete training about the development of dalit race and the importance of Balabata.
- 3) In all the villages there will be many dalit children and their parents. They must be informed about all the schemes of the government. If we gain the cooperation of the parents we can take forward Balabata in a better way. We can develop Balabata if every DO, RCO, and ACO work together. Then only we can mould dalit children as future citizen of our country. We can get real happiness only when my cooperation is extended to the dalit children.

N. Chandraiah, DCO.
Kareem nager.

Respected Director Dr. P.Ranjan Babu CARDS.

Sir,

I attended the programme conducted on July 11,12,13 at Deenapur, I have learnt that DO's should be encouraged in Balabata and they should be selected for the fifty Residential schools in the District. We should never forget our race. Good courses should be made available for dalits through CARDS. My hopee is to join more number of dalit students in Residential school by 2015-2016. I also want to establish Balabata in mandals and tandas where there are no Balabatas and learn the problems of those areas. My desire is to make every dalit child know about Balabata education system. I distributed sarees and fruits to poor old people in chenchu gudems. When I go to those villages I extened my share of help to the dalit students and old people.

Sir,

In the meeting conducted on July 11,12,13, the changes to be undertaken in Balabata were explained in detail. We were told that we should establish Balabatas in every village and join more number of students in Residential schools. The yearly calendar was also explained in detail. Baburao, DD explained well how to go more reports for the next year. Hrudayaraju, DD, spoke on so many occasions last meeting things. Amarnath, DD is the highlight for the whole meeting. Finally, Respected Dr. Swarna Latha Devi compared Balabata with the bible matters.

Respected Dr. P.Ranjan Babu, Director, CARDS from M.Srinivasa Rao. DCO, Balabata, Vemuru (Division)

Sir,

I attended Balabata annual meetings for two days at Deenapur. In the two days meeting, I have learned many suggestions and advice to develop Balabata successfully during the 2015-16 academic year. As part of social service programme, I assure you that I will strive hard for the dalit society around us and for the development of dalits' education and economic system and as part of vision 2020 I shall mould every dalit boy and girl as educated and conduct women conferences in every village. In order to make them educated they must be given awareness in the teachings of Dr. Ambedkar and Dr. P.Ranjan Babu.

A.C.O.'s Opinions

My heartfelt greetings to Respected Dr. P.Ranjan Babu Director, CARDS.

Sir,

My experiences in the meeting held.

- 1) I was very much impressed in the two days' meeting.
- 2) I understand those things told by you and try to put them in practice.
- 3) As was told by our madam I shall attend all the meetings.
- 4) Hrudayaraju Sir gave a good message.
- 5) I understood that if all attend the meeting it will be conducted on a grand scale.
- 6) We can go forward in the thought process of Dr. BR Ambedkar and Dr. P.Ranjan Babu.
