Opinions of DCO's

My Name is P. Tirumaliah working in 'CARDS' as Bala Bata DCO. My Ambition is that the Dalit people should educate and rule the country this is my Ambition and inner feelings. If girl child is educated the country will develop. Savitribai Pule had great dreams. She has started girl child schools in the past. She has started many schools for women. She fight for evils that girl child marriages, sati, and atrocities in the society. She fights for women rights.

In the society Dalit women, encouraged our Bala Bata. They enrolled their children in Bala Bata's. We not only teach in Bala Bata but also educate Dalit women in our villages. In Duvvada Mandal, a child marriage was going on and the D.O informed me. I phone to 1098 and the police has stopped the marriage. I explained every girl should be encouraged in getting education. This knowledge was given to me by CARDS.
